The London Rectal Clinic

The London Rectal Clinic (incorporating The London Haemorrhoid Clinic and The London Bariatric Clinic) provides the highest professional standards of dedicated care within a friendly and reassuring environment.

All treatment programmes are individually tailored to suit your needs with members of our experienced specialist care team working closely together to ensure ultimate peace of mind and minimum delays.

The clinic provides the assessment of all colorectal conditions together with:

Out-patient:

- Proctoscopy
- Rigid sigmoidoscopy
- Haemorrhoid injection
- Haemorrhoid banding
- Rectal biopsy
- Evacuation of perianal haematoma
- Assessment for colonoscopy and bowel cancer screening
- Colorectal cancer / polyp assessment
- Assessment and arrangement of virtual colonoscopy (CT pneumocolon)

Day Surgery – conditions investigated and procedures undertaken:

- Haemorrhoidectomy
- PPH
- Milligan Morgan
- Fissure – creams / botox / lateral sphincterotomy / flaps
- Pilonidal sinus – excision and closure / rotational flaps (Limberg)
- Anal sepsis and fistula in ano (MRI guided surgery)
- Rectal prolapse
- Pruritis ani / faecal soiling
- Excision of anal polyps / lesions / warts
- Colonoscopy - diagnostic and polypectomy
- Flexible sigmoidoscopy
- Endoscopy
