

The London Sports Injury Clinic

The London Sports Injury Clinic is a *cutting edge*, multi-disciplinary service that specialises in non surgical solutions for sports and orthopaedic injuries, however consultant orthopaedic surgeons are available to provide surgical intervention if required. In addition the clinic focuses on human performance and wellness.

All treatment and rehabilitation programmes are individually tailored to suit your needs by members of our experienced, specialist team working closely together to ensure ultimate peace of mind and minimum delays.

You don't have to be a professional athlete to be treated like one
